SARAWAK

Located on the north-western shore of the Island of Borneo is Sarawak, the largest state of Malaysia. A beautiful land coloured in peace and tradition, Sarawak is a prime destination for travel nomads seeking untouched culture, exhilarating adventure and breath-taking nature.

Whether it is sharing in the lifestyle of one of the many indigenous communities' longhouses, exploring gigantic caves in the heart of the Bornean rainforest, or shooting down river rapids, visitors will leave Sarawak having enjoyed a host of memorable experiences. As a part of Malaysia, Sarawak is a peaceful and safe place for travel, suited for large groups or single travellers alike.

With thick jungles a few steps from luxurious resorts and modern amenities, it is the perfect location for a wide range of experiences. As these two worlds collide, the people of Sarawak meet in the middle, with a mixture of modern savvy and proudly-kept traditions, wild nature lining organised infrastructure and old-fashioned hospitality mixed with connectivity.

Revealing a side of Asia unlike anywhere else, Sarawak offers an alternative for those seeking humble authenticity far from the tourist-trap clichés, whether their visit to Sarawak is a complement to a trip to Peninsular Malaysia and neighbouring countries, or a journey of discovery all on its own.

REGISTERED HOMESTAY CLUSTERS IN SARAWAK

Sarawak, Land of the Hornbills, is home to 27 ethnic groups. With 45 different dialects, each group has their own unique stories, beliefs, traditions and cultures. To learn and experience the different cultures, lifestyles and unique varieties of foods and festivals, one would have to live or stay with the local people.

The Malaysian Homestay Experience Program is an experience program where the services offered are not limited to lodging services only. Through this program, tourists stay with host families of homestay operators that have been registered with Ministry of Tourism, Arts and Culture Malaysia (MOTAC), live the daily lifestyle of the community and participate in community-based tourism activities such as folk sports, cultural events, festivals, learning dance, cooking, forest walks and etc.

The main concept is to emphasize more on experiential tourism and community-based tourism. To date, Sarawak has currently 48 registered homestay clusters of the various ethnic groups operating homestays in the state.

Explore the cozy homestays and be charmed and amazed by their cultures!

Sarawak Delta Geopark

Sarawak Delta Geopark (SDGp) is the first geopark developed in Sarawak. The SDGp represent a union of geological, biological and cultural heritage bordered by the coastline of the South China Sea to the north, Lundu District to the west, Samarahan District to the east and Siburan District to the south.

The main activities of the SDGp are State Government administration, business, education, Small and Medium-sized Enterprises (SMEs), agriculture and tourism. Sarawak Delta Geopark represents evidents of important geological events in explaining the origins of the Sundaland Plate.
