•• SARAWAK FACTS ••

Sarawak, also known as the ‘Land of the Hornbills’ has all the elements required to become Malaysia’s next desirable destination, from natural beauty, history, heritage, festivals, to modern city-living and luxury. It is located on the island of Borneo bordering with the eastern state of Sabah, the Sultanate of Brunei and the Indonesian province of Kalimantan. It is home to 34 ethnic groups, each with its own distinct language, culture and lifestyle. Indeed, it has become a potpourri of experiences appreciated by travellers from all over the world.

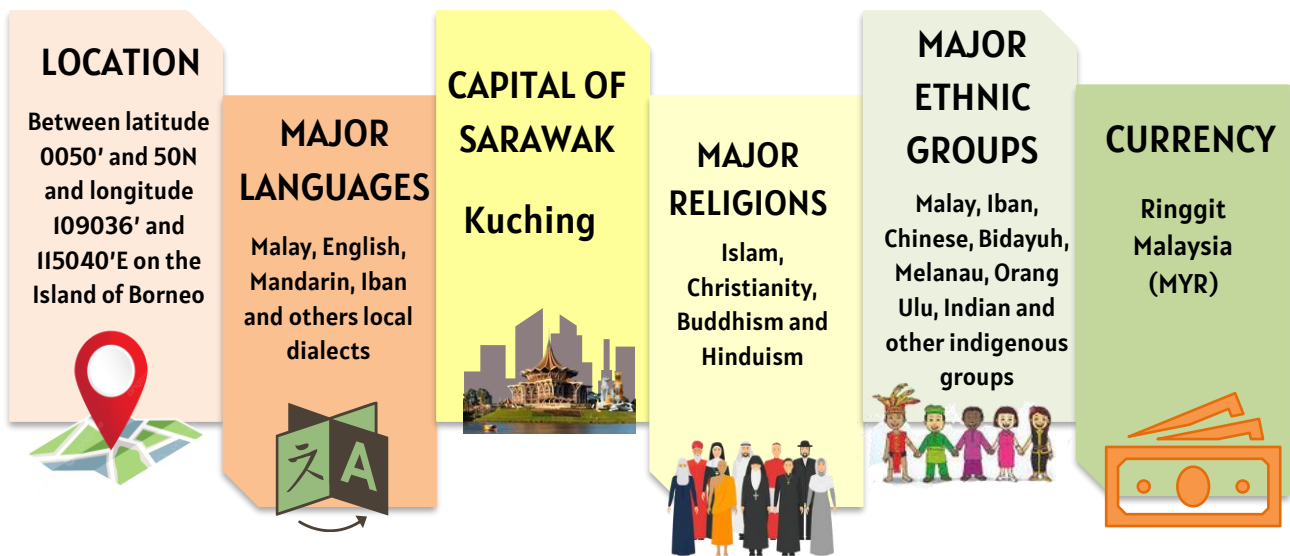

Sarawak’s new thematic destination campaign - Gateway to Borneo - strategically positions Sarawak as the premier entry point to the vibrant island of Borneo which also includes Brunei, Kalimantan and Sabah. This campaign aspires to showcase Sarawak as not just a destination, but a gateway into a realm of unparalleled experiences, discoveries, and inspirations that the greater Bornean region offers. As the Gateway to Borneo, every step in Sarawak promises enriching encounters and new experiences.
